Our lives are inextricably linked by the common thread of humanity. Break it and we are all undone!

WE ARE ONE BUT WE ARE MANY

I came from the Dreamtime
From the dusty red soil plains
I am the ancient heart
The keeper of the flame
I stood upon the rocky shore
I watched the tall ships come
For 40 000 years I've been the first Australian

I'm a daughter of a digger
Who sought the mother lode
The girl became a woman
On the long and dusty road
I'm a child of the Depression
I saw the good times come
I'm a bushy, I'm a battler
I am Australian

We are one
But we are many
And from all the lands on earth we come
We'll share a dream
And sing with one voice
I am, you are, we are Australian

I'm the hot wind from the desert
I'm the black soil of the plain
I'm the mountains and the valleys
I'm the drought and flooding rains
I am the rock
I am the sky
The rivers when they run
The spirit of this great land
I am Australian

We are one
But we are many
And from all the lands on earth we come
We'll share a dream
And sing with one voice
I am, you are, we are Australian

I am, you are
We are Australian

*Songwriters: David Newton
and Bruce Woodley*

IMAGINE

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people living for today

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion too
Imagine all the people living life in peace,
You

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people sharing all the world,
You

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Songwriter: John Lennon

NOTE TO STUDENTS:

The lyrics of Imagine encourage us to envisage a world at peace without borders and without nationality, religion and attachment to material possessions being used to divide rather than unify humanity.

BAHA'I PRAYER

O Thou kind Lord! Unite all. Let the religions agree and make the nations one, so that they may see each other as one family and the whole earth as one home. May they all live together in perfect harmony.

O God! Raise aloft the banner of the oneness of mankind. O God! Establish the Most Great Peace. Cement Thou, Oh God, the hearts together.

Extract from prayer of 'Abdu'l-Bahá

“Peace is a daily, a weekly, a monthly process, gradually changing opinions, slowly eroding old barriers, quietly building new structures.”

John F. Kennedy

“Peace cannot be kept by force; it can only be achieved by understanding.”

Albert Einstein

“Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that.”

Martin Luther King, Jr.

“Peace comes from within. Do not seek it without.”

Buddha

“An eye for an eye only ends up making the whole world blind.”

Mahatma Gandhi

“Peace begins with a smile.”

Mother Teresa

“It isn't enough to talk about peace. One must believe in it. And it isn't enough to believe in it. One must work at it.”

Eleanor Roosevelt

UNIVERSAL GREAT BROTHERHOOD

A thought of Peace every day

I have Peace

Within me is Peace

The Peace of Spirit is the true Peace

The Peace of the individual will be world's Peace

Light in the mind

Peace in the soul.

Master Gil Colmenares

“World peace starts by being respectful. It's very important to respect everyone's decisions about their gender and religion. Being respectful about the justice, law and government decisions will lead to world peace. No matter what, we are brothers and sisters and that makes us the same.”

**2018 Yolande Frank Art Awards Finalist:
Rogelli Memita (Divine Mercy College)**

“The imagination and naivety concealed within the hands of a child is powerful and will triumph everything. It is at this point that we will find true peace.”

CELEBRATION OF THE 2019 INTERNATIONAL DAY OF PEACE IS PART OF GLOBAL GOALS WEEK

GLOBAL GOALS WEEK

The Global Goals [UN 2030 Sustainable Development Goals] provide a road map for planning our future in turbulent times. The more we learn and talk about them the more we are empowered to help shape the future. Each goal has **TARGETS** (169 in total) for communities to prioritise and each target has several **INDICATORS**.

GLOBAL GOAL 16 PEACE, JUSTICE AND STRONG INSTITUTIONS

is fundamental for all the other Goals. Targets include: reduce all violence and related death rates | end abuse and exploitation of children | promote national and international rule of law | reduce illicit financial and arms flows | reduce corruption and bribery in all their forms | develop accountable and transparent institutions at all levels.

GLOBAL CITIZENSHIP EDUCATION: UNAAWA SCHOOL PROGRAMS

Global citizens see themselves as belonging to a world community of humanity, unified in diversity through human rights and the interdependence of global systems.

UNAAWA implements school programs based on the UNESCO model of Global Citizenship Education and the UN Global Goals. Through these vehicles students apply critical and creative thinking, intercultural and ethical understandings.

UNAAWA SCHOOL PROGRAMS INCLUDE:

1. Global Citizenship Schools Network
2. Digital Resource Bank
3. School Speaker Program
4. Student Parliaments
5. Global Goals Challenge
6. Yolande Frank Art Awards
7. World Teachers' Day Awards
8. Global Citizenship & Sustainability Program
9. Partnerships and Events

Research demonstrates the positive impact of Global Citizenship Education on our youngsters' wellbeing as they grow in a complex and uncertain world. Ian Chambers (Australian National University) in his Young Persons' Plan for the Planet research concludes that involving school students with problem-solving for the Global Goals leads to "a mindshift from overwhelmed through understanding to empowerment". This is supported by feedback from UNAAWA Student Parliaments:

"I learned many ways I can make a difference on this planet and make my ideas a reality."

"It's easy to be pessimistic, but experiences like today and adults wanting to know what we think makes me feel optimistic."

"I realized I could actually make a difference."

STUDENT PEACE PLEDGE

I pledge to use my words to speak in a kind way and to help others as I go throughout my day.

I pledge to care for our earth with my healing heart and hands, and to respect people in each and every land.

I pledge to join together as we unite the big and small, and do my part creating PEACE for one and all.
